Come and take part in 'mock interviews', receive one-to-one careers advice from industry professionals, find out about the range of opportunities relating to modern day apprenticeships, peer ministry and GAP year opportunities and receive practical tips to help craft the perfect CV.

Volunteers needed! We are extremely grateful to all the parishioners, from a wide range of industries and professions, who kindly volunteered their time in April to advise and share their considerable experience with our young people. Looking ahead, we would love to hear from interested parishioners with key experience and core skills to share who would like to be involved in our second Careers Fair; please email: susan.longhurst@bromleydeanery.org to find out more and to register your interest. Thank you
